

There is a little bit of me

That knows the Light  
that made All things  
and is All Things

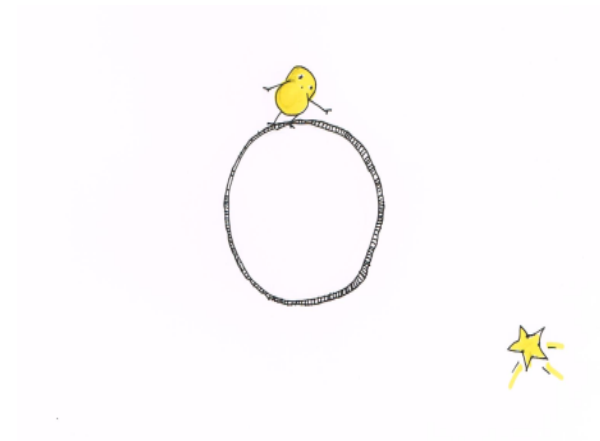

A baby Light.

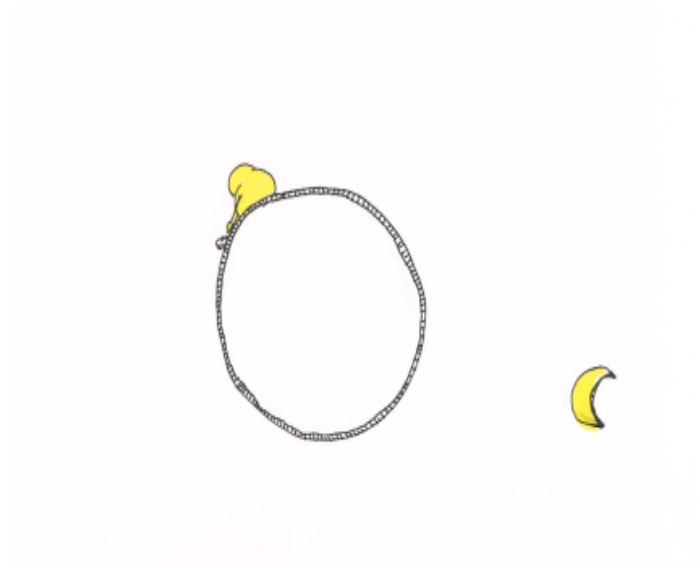

It lives in my heart.

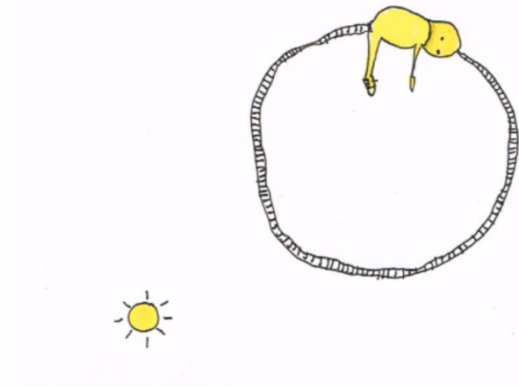

It needs my attention.

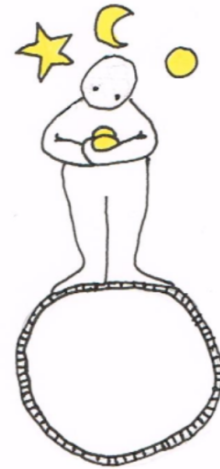

It longs for my tenderness.

It wants my love so much.

If I can give my little light  
attention,  
tenderness  
and love ...

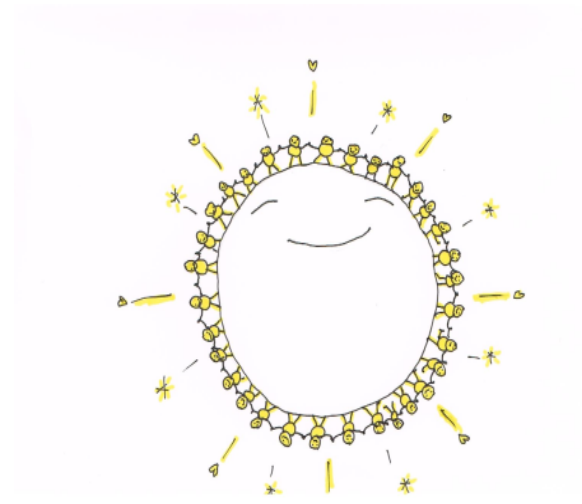

My Whole Being  
Will fill up with such  
a glorious light  
and peace

That my inner glow  
will change the face  
of the Earth, Forever.

THE END...

of the old  
and the beginning of the NEW
